1. This Office action is in response to the amendment filed March 21, 2005. Claims 1-3 have been cancelled and new claim 4 has been entered. Claim 4 is pending. The Examiner has approved the proposed drawing changes.

2. Claim 4 is allowed.

3. The following is an examiner's statement of reasons for allowance: the claim recites a key detection system that places the conductors on the columns at a higher potential than the conductors on the rows and lowers the potential on the column, when the pressing of a key connects a row with a column, to detect the particular key pressed. Such a combination is not taught or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
